

The Seventh-day Adventist Church of Newfoundland and Labrador (NL Mission) office is seeking resumes from those interested in applying for the position of:

Lighthouse VOAR-FM Broadcasting Engineer

The position is full-time Engineer of Lighthouse VOAR-FM in Mount Pearl, NL and its repeaters. Expected date of hire is April 1, 2024. A combination of experience and education in the field of RF Broadcasting would be an asset. Proficiency in UPS Systems, computer systems and software, encoding of audio streams and Axia Broadcast Systems is required. Master Electronics Technician preferred. The position requires flexibility in schedule as being on call is a requirement.

Applicants should be Seventh-day Adventist in regular standing.

Interested candidates are invited to submit their resume by email to voar@voar.org or by mail to 1041 Topsail Road, Mount Pearl, NL A1N 5E9. For more information contact Sherry Griffin at voar@voar.org or (709)325-7627. This position will remain open until filled.
